

Royal Burgh of St Andrews Community Council

Agenda - May 2000

There will be a meeting of the Community Council on Monday 1st May immediately following the AGM in the Burgh Chambers of the Town Hall, Queens Garden.

4. Fife Councillors

5. Matters Arising from the Minutes

5.1. Sponsored Swim

(April 6.3.3.) Dorothy M Johnson writes to thank us for the £22 sponsorship collected at the last meeting for donation to the Scottish Huntington's Association.

"Being a less well known charity it is particularly encouraging to receive your support and for me it makes what is an enjoyable swim even more worthwhile".

6. New Business

(New items of business should be passed to the secretary in time for inclusion in the printed agenda, otherwise they will be taken under 9. AOCB)

6.1. Common Good Fund

Following newspaper reports in mid-April about Fife Council's apparently generous top-up funding for the Byre actually being taken out of the Common Good Fund revenue, crippling it, Dave Carstairs of Cupar CC approached us. While not commenting on the specific case of the Byre, as it is obviously off his patch, he wondered whether we would be interested in a meeting/forum with the other CCs who have CGFs in their areas. His concern is that Fife Council is targeting CGFs as the first line of local funding rather than a special resource. He would like a common front on common good and a lot more local control rather than, as he saw it, rubberstamping decisions taken in Glenrothes. He suggested approaches to MP/MSPs. [PL]
